About iPower Inc.

iPower Inc. is a tech and data-driven online retailer, as well as a provider of value-added ecommerce services for third-party products and brands. iPower's capabilities include a full spectrum of online channels, robust fulfillment capacity, a network of warehouses serving the U.S., competitive last mile delivery partners and a differentiated business intelligence platform. iPower believes that these capabilities will enable it to efficiently move a diverse catalog of SKUs from its supply chain partners to end consumers every day, providing the best value to customers in the U.S. and other countries. For more information, please visit iPower's website at www.meetipower.com.

Forward Looking Statements

This press release may contain information about iPower's view of its future expectations, plans and prospects that constitute forward-looking statements. Actual results may differ materially from historical results or those indicated by these forward-looking statements because of a variety of factors including, but not limited to, risks and uncertainties associated with its ability to maintain and grow its business, variability of operating results, its development and introduction of new products and services, marketing and other business development initiatives and competition in the industry. iPower encourages you to review other factors that may affect its future results in its filings with the SEC.
