### Overview

iPower Inc. is an online hydroponic equipment supplier based in the United States. Through the operations of our e-commerce platform, [www.Zenhydro.com](http://www.Zenhydro.com), our combined 121,000 square foot fulfillment centers in Los Angeles, California, as well as our 99,000 square foot fulfillment center in Rancho Cucamonga, California, we believe we are one of the leading marketers, distributors and retailers of grow-light systems, ventilation systems, activated carbon filters, nutrients, growing media, hydroponic water-resistant grow tents, trimming machines, pumps, shelving and accessories for hydroponic gardening, based on management’s estimates. We have a diverse customer base that includes commercial users and individuals. Our core strategy continues to focus on expanding our geographic reach across the United States through organic growth, both in terms of expanding customer base as well as brand and product development.

We are actively developing and acquiring our in-house branded products, which to date include the **iPower** and **Simple Deluxe** brands and consist of more than 4,000 SKUs of products such as home goods, grow-light systems, ventilation systems, activated carbon filters, nutrients, growing media, hydroponic water-resistant grow tents, trimming machines, pumps and many more hydroponic-related items; some of which have been designated as Amazon best seller product leaders, among others. For the three months ended September 30, 2022, our top five product segments accounted for 78% of total sales. While we will continue focusing on our top product categories, we are working to expand our product catalog to include adjacent product categories.

### Recent Acquisitions

On February 15, 2022, in exchange for total consideration of \$12 million, we acquired 100% of the ordinary shares of Anivia Limited (the “Target Company”), a corporation organized under the laws of the British Virgin Islands (“BVI”), in accordance with the terms of a share transfer framework agreement (the “Transfer Agreement”), dated February 15, 2022, by and between the Company, White Cherry Limited, a BVI company (“White Cherry”), White Cherry’s equity holders, Li Zanyu and Xie Jing (together with White Cherry, the “Sellers”), the Target Company, Fly Elephant Limited, a Hong Kong company, Dayou Renzai (Shenzhen) Technology Company Limited, and Daheshou (Shenzhen) Information Technology Limited. The Target Company owns 100% of the equity of Fly Elephant Limited, which in turn owns 100% of the equity of Dayou Renzai (Shenzhen) Technology Co., Ltd., a corporation located in the People’s Republic of China (“PRC”) and which is a wholly foreign-owned enterprise (“WFOE”) of Fly Elephant Limited. The WFOE controls, through a series of contractual arrangements summarized below, the business, revenues and profits of Daheshou (Shenzhen) Information Technology Co., Ltd., a company organized under the Laws of the PRC (the “Operating Company”) and located in Shenzhen, China. The Operating Company is principally engaged in selling of a wide range of products and providing logistic services in the PRC. The Operating Company has been iPower’s sole source of supplies and logistics support for products purchased from the PRC since iPower’s inception. In 2021, iPower purchased more than 60% of its products and supplies from or through the Operating Company.

## *Trends and Expectations*

### *Product and Brand Development*

We plan to increase our investments in product and brand development. We actively evaluate potential acquisition opportunities of companies and product brand names that can complement our product catalog and improve on existing products and supply chain efficiencies.

### *Global Economic Disruption*

While at present the majority of our products are sourced either in the United States or China, the military conflict between Russia and Ukraine may nonetheless increase the likelihood of supply chain disruptions or otherwise hinder our ability to find the materials we need to make our products. In addition, supply chain disruptions may make it harder for us to find favorable pricing and reliable sources for the materials we need, putting upward pressure on our costs and increasing the risk that we may be unable to acquire the materials and services we need to continue to make certain products.

### *Ongoing COVID-19 Outbreak and Related Disruptions*

We are continuing to closely monitor the impact of the ongoing COVID-19 outbreak on our business, results of operations and financial results. The situation surrounding the COVID-19 outbreak remains fluid and the full extent of the positive or negative impact of the COVID-19 outbreak on our business will depend on certain developments including the length of time that the outbreak continues, the impact on consumer activity and behaviors and the effect on our customers, employees, suppliers and stockholders, all of which are uncertain and cannot be predicted. Our focus remains on promoting the health, safety and financial security of our employees and serving our customers. As a result, we have taken a number of precautionary measures, including implementing social distancing and enhanced cleaning measures in our facilities, providing emergency paid time off and targeted hourly pay increases as well as developing no contact delivery methods.

In an effort to contain or slow the COVID-19 outbreak, authorities across the world have implemented various measures, some of which have been subsequently rescinded or modified, including travel bans, stay-at-home orders and shutdowns of certain businesses. We anticipate that these actions and the global health crisis caused by the COVID-19 outbreak, including any resurgences, will continue to negatively impact global economic activity. While the COVID-19 outbreak has not had a material adverse impact on our operations to date and we believe the long-term opportunity that we see for shopping online remains unchanged, it is difficult to predict all of the positive or negative impacts the COVID-19 outbreak will have on our business.

In the short term, we have continued to see increased sales and order activity in the market since the COVID-19 outbreak. In order to keep up with the increased orders, we have hired and are continuing to hire additional personnel. However, much is unknown and, accordingly, the situation remains dynamic and subject to rapid and possibly material change. We will continue to actively monitor the situation and may take further actions that alter our business operations as may be required by federal, state, local or foreign authorities, or that we determine are in the best interests of our customers, employees, suppliers, stockholders and communities.

### ***Regulatory Environment***

We sell hydroponic gardening products to end users that may use such products in new and emerging industries or segments, including the growing of cannabis. The demand for hydroponic gardening products depends on the uncertain growth of these industries or segments due to varying, inconsistent and rapidly changing laws, regulations, administrative practices, enforcement approaches, judicial interpretations and consumer perceptions. For example, certain countries and a total of 44 U.S. states plus the District of Columbia have adopted frameworks that authorize, regulate and tax the cultivation, processing, sale and use of cannabis for medicinal and/or non-medicinal use, including legalization of hemp and CBD, while the U.S. Controlled Substances Act and the laws of U.S. states prohibit growing cannabis. Demand for our products could be impacted by changes in the regulatory environment with respect to such industries and segments.

## SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

The information included or incorporated by reference in this prospectus contains “forward-looking statements” within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) regarding iPower Inc. and its business. Forward-looking statements are those that predict or describe future events, do not relate solely to historical matters and include statements regarding management’s beliefs, estimates, projections, and assumptions with respect to, among other things, our future operations, business plans and strategies, as well as industry and market conditions, all of which are subject to change at any time without notice. Words such as “believe,” “expect,” “anticipate,” “promise,” “plan,” and other expressions or words of similar meanings, as well as future or conditional auxiliary verbs such as “would,” “should,” “could,” or “may” are generally intended to identify forward-looking statements. Risks, uncertainties, contingencies, and developments, including those discussed in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the Company’s periodic reports and those identified in “Risk Factors”, could cause our future operating results to differ materially from those set forth in any forward-looking statement. Given these uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. We disclaim any obligation to update any such factors or to publicly announce the results of any revisions to any of the forward-looking statements contained herein to reflect future results, events or developments.

## RISK FACTORS

Investing in our Common Stock involves a high degree of risk. In addition to the risk factor set forth below, investors should carefully consider all of the information set forth in this Prospectus, and the risk factors set forth in the Company's Annual Report on Form 10-K for the period ended June 30, 2022, filed with the SEC on September 28, 2022, our Quarterly report on Form 10-Q for the three months ended September 30, 2022, as filed with the SEC on November 14, 2022, as well as the Company's subsequent filings with the SEC, before deciding to invest in our Common Stock. Such risks disclosed therein are not exhaustive, and additional risks and uncertainties that we are unaware of may become important factors that affect us. If any of these risks actually occur, our business, financial condition or operating results may suffer, the trading price of our Common Stock could decline, and you may lose all or part of your investment.

### ***Our failure to meet the continued listing requirements of Nasdaq could result in a de-listing of our common stock.***

If we fail to maintain the continued listing requirements of Nasdaq, including maintaining the minimum closing bid price requirement, Nasdaq will take steps to de-list our common stock. As a result of several factors, including but not limited to recent market sentiment concerning our industry, the ongoing outbreak of COVID-19 and its effects on the global marketplace, recent volatility in the financial markets generally due to the expectation of a tightening in monetary policy by the U.S. Federal Reserve and other geopolitical events, the per share price of our common stock has declined below the minimum bid price threshold required for continued listing. Such a de-listing would likely have a negative effect on the price of our common stock and would impair your ability to sell or purchase our common stock when you wish to do so, as well as adversely affect our ability to issue additional securities and obtain additional financing in the future.

On November 9, 2022, we received a deficiency notice from Nasdaq (the "Deficiency Notice") informing us that our common stock had failed to comply with the \$1.00 minimum bid price required for continued listing under Nasdaq Listing Rule 5550(a)(2) ("Rule 5550(a)(2)") based upon the closing bid price of our common stock for the 30 consecutive business days prior to the date of the Deficiency Notice. In accordance with Nasdaq Listing Rule 5810(c)(3)(A), we have been given 180 calendar days from September 9, 2022, or until May 8, 2023, to regain compliance with Rule 5550(a)(2). If at any time before May 8, 2023 the bid price of our common stock closes at \$1.00 per share or more for a minimum of 10 consecutive business days, Nasdaq will provide us with written confirmation that we have regained compliance.

If we do not regain compliance with Rule 5550(a)(2) by May 8, 2023, we may be afforded a second 180 calendar day period to regain compliance. To qualify, we would be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, except for the minimum bid price requirement. In addition, we would be required to notify Nasdaq of our intent to cure the deficiency during the second compliance period.

In the event of a de-listing or threatened de-listing, we would take actions to restore our compliance with Nasdaq Marketplace Rules, but we can provide no assurances that the listing of our common stock would be restored, that our common stock will remain above the Nasdaq minimum bid price requirement or that we otherwise will remain in compliance with the Nasdaq Marketplace Rules.

## USE OF PROCEEDS

The shares of Common Stock offered hereby are being registered for the account of the selling shareholders identified in this prospectus. See [“Selling Shareholders.”](#) All net proceeds from the sale of the Common Stock will go to the shareholders who offer and sell their shares. We will not receive any part of the proceeds from such sales of Common Stock. We will, however, receive proceeds from the exercise by the Selling Shareholders of options to purchase Common Stock, which proceeds will be applied to general working capital purposes.

## SELLING SHAREHOLDERS

This prospectus relates to the reoffer and resale from time to time of up to 5,000,000 shares of Common Stock issued to the selling shareholders, or underlying equity awards issued to the selling shareholders, under our Equity Incentive Plan. The selling shareholders may sell any, all or none of such shares and we do not know when or in what amount the selling shareholders may sell such shares. The inclusion of such shares in the table below does not necessarily represent a present intention by the selling shareholders to sell any or all such shares. However, for the purposes of the table below, we have assumed that, after the completion of this offering, all Common Stock covered by this prospectus has been sold.

The following table sets forth (i) the number of shares of Common Stock beneficially owned by each selling shareholder as of December 5, 2022, (ii) the number of shares to be offered for resale by each selling shareholder and (iii) the number and percentage of shares of Common Stock that each selling shareholder will beneficially own after completion of the offering, assuming that all shares of Common Stock that may be offered for resale are sold and no other shares of Common Stock beneficially owned by the selling shareholders also are sold.

## PLAN OF DISTRIBUTION

In this section of the reoffer prospectus, the term “selling shareholder” means and includes:

- the persons identified in the table above as the selling shareholders; and
- any of the donees, pledgees, distributees, transferees or other successors in interest of those persons referenced above who may: (a) receive any of the shares of our common stock offered hereby after the date of this reoffer prospectus and (b) offer or sell those shares hereunder.

The shares of our common stock offered by this reoffer prospectus may be sold from time to time directly by the selling shareholders. Alternatively, the selling shareholders may from time to time offer such shares through underwriters, brokers, dealers, agents or other intermediaries. The selling shareholders as of the date of this reoffer prospectus have advised us that there were no underwriting or distribution arrangements entered into with respect to the common stock offered hereby. The distribution of the common stock by the selling shareholders may be effected: in one or more transactions that may take place on the Nasdaq Capital Market (including one or more block transaction) through customary brokerage channels, either through brokers acting as agents for the selling shareholders, or through market makers, dealers or underwriters acting as principals who may resell these shares on the Nasdaq Capital Market; in privately-negotiated sales; by a combination of such methods; or by other means. These transactions may be effected at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at other negotiated prices. Usual and customary or specifically negotiated brokerage fees or commissions may be paid by the selling stockholders in connection with sales of our common stock.

The selling shareholders may enter into hedging transactions with broker-dealers in connection with distributions of the shares or otherwise. In such transactions, broker-dealers may engage in short sales of the shares of our common stock in the course of hedging the positions they assume with the selling shareholders. The selling shareholders also may sell shares short and redeliver the shares to close out such short positions. The selling shareholders may enter into option or other transactions with broker-dealers which require the delivery to the broker-dealer of shares of our common stock. The broker-dealer may then resell or otherwise transfer such shares of common stock pursuant to this reoffer prospectus.

The selling shareholders also may lend or pledge shares of our common stock to a broker-dealer. The broker-dealer may sell the shares of common stock so lent, or upon a default the broker-dealer may sell the pledged shares of common stock pursuant to this reoffer prospectus. Any securities covered by this reoffer prospectus which qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this reoffer prospectus.

The selling shareholders have advised us that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their securities. There is no underwriter or coordinating broker acting in connection with the proposed sale of shares of common stock of the selling shareholders.

Although the shares of common stock covered by this reoffer prospectus are not currently being underwritten, the selling shareholders or their underwriters, brokers, dealers or other agents or other intermediaries, if any, that may participate with the selling security holders in any offering or distribution of common stock may be deemed “underwriters” within the meaning of the Act and any profits realized or commissions received by them may be deemed underwriting compensation thereunder.

Under applicable rules and regulations under the Exchange Act, any person engaged in a distribution of shares of the common stock offered hereby may not simultaneously engage in market making activities with respect to the common stock for a period of up to five days preceding such distribution. The selling shareholders will be subject to the applicable provisions of the Exchange Act and the rules and regulations promulgated thereunder, including without limitation Regulation M, which provisions may limit the timing of purchases and sales by the selling shareholders.

In order to comply with certain state securities or blue sky laws and regulations, if applicable, the common stock offered hereby will be sold in such jurisdictions only through registered or licensed brokers or dealers. In certain states, the common stock may not be sold unless they are registered or qualified for sale in such state, or unless an exemption from registration or qualification is available and is obtained.

We will bear all costs, expenses and fees in connection with the registration of the common stock offered hereby. However, the selling shareholders will bear any brokerage or underwriting commissions and similar selling expenses, if any, attributable to the sale of the shares of common stock offered pursuant to this reoffer prospectus. We have agreed to indemnify certain of the selling security holders against certain liabilities, including liabilities under the Act, or to contribute to payments to which any of those security holders may be required to make in respect thereof.

There can be no assurance that the selling shareholders will sell any or all of the securities offered by them hereby.

**DISCLOSURE OF COMMISSION POSITION ON  
INDEMNIFICATION FOR SECURITIES LAW VIOLATIONS**

We are a Nevada corporation and, accordingly, we are subject to the corporate laws under the Nevada Revised Statutes. Article 9 of our Amended and Restated Articles of Incorporation, Article 8 of our by-laws and the Nevada Revised Business Statutes, contain indemnification provisions.

Our Amended and Restated Articles of Incorporation provides that we will indemnify, in accordance with our by-laws and to the fullest extent permitted by the Nevada Revised Statutes or any other applicable laws, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, including an action by or in the right of the corporation, by reason of such person acting as a director or officer of the corporation or any of its subsidiaries against any liability or expense actually and reasonably incurred by such person. We will be required to indemnify an officer or director in connection with an action, suit or proceedings initiated by such person only if (i) such action, suit or proceeding was authorized by the Board and (ii) the indemnification does no relate to any liability arising under Section 16(b) of the Exchange Act, as amended, or rules or regulations promulgated thereunder. Such indemnification is not exclusive of any other right to indemnification provided by law or otherwise. Indemnification shall include payment by us of expenses in defending an action or proceeding in advance of final disposition of such action or proceeding upon receipt of an undertaking by the person indemnified to repay such payment if it's ultimately determined that such person is not entitled to indemnification.

We have entered into indemnification agreements with each of our directors and officers. These indemnification agreements require us, among other things, to indemnify our directors and officers for some expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by a director or officer in any action or proceeding arising out of his or her service as one of our directors or officers, or any of our subsidiaries or any other company or enterprise to which the person provides services at our request.

We maintain a general liability insurance policy that covers certain liabilities of directors and officers of our corporation arising out of claims based on acts or omissions in their capacities as directors or officers.

In any underwriting agreement we enter into in connection with the sale of common stock being registered hereby, the underwriters will agree to indemnify, under certain conditions, us, our directors, our officers and persons who control us within the meaning of the Securities Act of 1933, as amended, or the Securities Act, against certain liabilities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

**Item 6. Indemnification of Directors and Officers.**

The Registrant is a Nevada corporation and, accordingly, is subject to the corporate laws under the Nevada Revised Statutes. Article 9 of the Registrant's Amended and Restated Articles of Incorporation, Article 8 of the Registrant's by-laws and the Nevada Revised Business Statutes each contain indemnification provisions.

The Registrant's Amended and Restated Articles of Incorporation provide that the Registrant will indemnify, in accordance with its by-laws and to the fullest extent permitted by the Nevada Revised Statutes or any other applicable laws, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, including an action by or in the right of the corporation, by reason of such person acting as a director or officer of the corporation or any of its subsidiaries against any liability or expense actually and reasonably incurred by such person. As such, the Registrant will be required to indemnify an officer or director in connection with an action, suit or proceedings initiated by such person only if (i) such action, suit or proceeding was authorized by the Registrant's board of directors and (ii) the indemnification does not relate to any liability arising under Section 16(b) of the Exchange Act, as amended, or rules or regulations promulgated thereunder. Such indemnification is not exclusive of any other right to indemnification provided by law or otherwise. Indemnification shall include payment by us of expenses in defending an action or proceeding in advance of final disposition of such action or proceeding upon receipt of an undertaking by the person indemnified to repay such payment if it's ultimately determined that such person is not entitled to indemnification.

The Registrant has entered into indemnification agreements with each of its directors and officers. These indemnification agreements require the Registrant, among other things, to indemnify its directors and officers for some expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by a director or officer in any action or proceeding arising out of his or her service as a director or officer of the Registrant, or any of its subsidiaries or any other company or enterprise to which the person provides services at our request.

The Registrant maintains a general liability insurance policy that covers certain liabilities of directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to the Registrant's directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. Please read "Item 9. Undertakings" for more information on the SEC's position regarding such indemnification provisions.

**Item 7. Exemption from Registration Claimed.**

**Item 8. Exhibit.**

See Exhibit Index, which is incorporated herein by reference.

## Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price, set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of 314 securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
